Profile Summary

A dedicated and enthusiastic second-year Computer Science student at NIT Hamirpur with a strong foundation in programming, web development, and data structures and algorithms (DSA). Proficient in HTML, CSS, JavaScript, C++, Python, and SQL, with practical experience solving 150+ LeetCode problems and working on diverse projects, including management systems for libraries and banks, an AI assistant, and a portfolio website.

Education

National Institute of Technology (NIT), Hamirpur **Sept 2023 – July 2027**

- **Stream :** Bachelor of Technology in Computer Science & Engineering
- **CGPA: 8.80**
- **Relevant Coursework:** Computer Architecture, Simulation and Modelling , Operating System, Theory Of Computation

M.S. College , Motihari (BSEB) , Class XIIth **2020-2022**

- **Percentage: 89%**

Jeewan International School , Motihari (CBSE) , Class Xth **2020-2022**

- **Percentage: 95.2%**

Technical Skills

Languages: C, C++, Python Numpy , Pandas , SQL

Core Concepts: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOPs) , Machine Learning

Web: HTML, CSS, JavaScript

Software & Tools: Visual Studio Code, Git, GitHub , Figma , Canva

Internship Experience

Web Development Intern **jan - Feb 2025**

- Developed and designed interactive and responsive websites using **HTML, CSS, JavaScript, and MySQL**.
- Debugged and tested web applications to ensure **cross-browser compatibility** and **smooth functionality**.
- Collaborated with a team to meet project deadlines and improve user experience.

Projects

Self-Developed Portfolio Website *portfolio*

- Showcased personal projects and achievements .
- Technologies used: HTML, CSS, JavaScript

Management System for Hospital and Libraries *Project link*

- Designed to track book inventory and studentregistrationss for libraries and to track patients detail in Hospital.
- Tools Used: C++, OOPs

AI Assistant *A.I. Project*

- Explored basics of automation using JavaScript.
- Tools : JavaScript

Social works

Prayas (since 2025): Passionate educator dedicated to empower local students through engaging and personalized teaching strategies. Skilled in creating inclusive learning environments to foster academic and personal growth

Member of Rotary Club (since 2019): Works for the welfare of society and economic development through fulfilling the needs of people.
